

Kuban State Agrarian University, which celebrates the 95 anniversary, is one of the recognized leaders in higher agricultural education in Russia, and has a long history of training foreign students. Since 1960 about 10 thousand students from Vietnam, India, Angola, Morocco and other countries graduated from the university.

Since 2013 the Preparatory Faculty for foreign students has resumed its work. It aims at providing international students with Russian language courses and gives them an opportunity to prepare for the entrance exams necessary for the admission. High qualification of the Russian language professors allowed them to develop a special learning technique which has already proved to be effective. The professionalism of the faculty members in short time helps new students to adapt to the Russian culture.

We offer educational programs for foreign citizens intended for 1 and 1.5 years on the following profiles:

- medico-biological
- natural science
- engineering
- economical.

As the largest university in the South of Russia, it occupies 174 hectares in the city of Krasnodar, the region of the Winter Olympic Games "Sochi - 2014", located near the Black and Azov seas. The University campus has 20 dormitories, which are able to accommodate 9,500 people and 20 academic buildings and laboratories where more than 20 thousand students can comfortably study.

Warm climate and beautiful nature of the Krasnodar region, developed infrastructure and high level of education at reasonable prices attracts students from all over the world to study at Kuban State Agrarian University. The University also has a unique natural recreational complex at the Black Sea coast.

In accordance with the Bologna Process requirements and the European standards the University has a two-level education system, which includes full-time and extramural studies.

With the aim to promote export of the Kuban State Agrarian University educational services we would like to request your assistance in informing interested applicants about the admission of foreign students to study (at the expense of budget means or under contracts with payment of training costs) at the FSBEI HPE "Kuban State Agrarian University", on major programs (bachelor, master, doctorate degrees) and the Russian language programs for foreign students of the Preparatory Faculty.
